ANALISA TORRES  
United States District Judge

<sup>1</sup> Even if Plaintiff's request were timely, the Court does not have jurisdiction to enforce any settlement agreement in this action because the parties did not file any such agreement on the docket by May 24, 2021. ECF No. 53 ("Further, if the parties wish for the Court to retain jurisdiction for the purposes of enforcing any settlement agreement, they must submit the settlement agreement to the Court within the same thirty-day period [thirty days after April 23, 2021] to be so-ordered by the Court. Per Rule IV(C) of the Court's Individual Practices in Civil Cases, the Court will not retain jurisdiction to enforce a settlement agreement unless it is made part of the public record.").

<sup>2</sup> On May 27, 2021, the Court denied Plaintiff's prior application to reopen the case, ECF No. 55. ECF No. 61.
